- ADOR will put a 45- calendar day hold on the title record so no title can be issued during that time period unless the title transaction occurred prior to the date the motor vehicle was deemed unclaimed.
- If the motor vehicle was returned to the recorded owner or lienholder of record during the 45-calendar day hold period, the person or entity who reported the motor vehicle as unclaimed will report the return of the motor vehicle in the unclaimed portal within **five** (5) calendar days.

Abandoned Motor Vehicle

- Within five (5) calendar days from the date the motor vehicle was reported as “unclaimed” to the DOR, the person or entity in possession of the motor vehicle shall use the National Motor Vehicle Title Information System (NMVTIS) to determine the state in which the vehicle is titled and/or registered.
- A list of NMVTIS service providers may be found on the following web site:
http://www.vehiclehistory.gov/nmvtis_vehiclehistory.html.
- Please note: NMVTIS records only contain records for motorized vehicles, and not all states currently report to NMVTIS.

Abandoned Motor Vehicle

- Within five (5) calendar days of receiving the NMVTIS record, the person or entity in possession of the motor vehicle must send a Notice of Possession to the owner and lienholder or record.
- This notice must be sent via certified mail.
- If no NMVTIS record exists and there is evidence that could reasonably indicate that the motor vehicle has been registered in another state, submit a records request to the state of registration within five calendar days from the date the motor vehicle was reported as unclaimed to the department.
- Evidence that could be reasonably obtained to indicate state of registration:
 - Advertisement on vehicle (Business logo, etc.)
 - Tags/license plates
 - VIN

Abandoned Motor Vehicle

- The notice to the owner and lienholder should include the following:

 - Telephone number of the person or entity in possession of the vehicle

The motor vehicle may then be sold pursuant to the provisions of the Alabama Abandoned Motor Vehicle Act as provided for in Title 32, Chapter 13, Code of Alabama 1975."

Abandoned Motor Vehicle

- The notice can be generated in the Unclaimed/Abandoned portal.
- The date the notice was sent to the owner/lienholder must be entered into the unclaimed/abandoned portal.
- Failure to report the vehicle as unclaimed, or failure to notify the owner and lienholder will void all claims and liens for vehicle storage prior to the time the vehicle is reported as unclaimed.

Abandoned Motor Vehicle

- After 30 calendar days from the date the notice was sent to the owner and lienholder and deemed unclaimed, the vehicle shall be considered **abandoned** and may be sold at a public auction.
- The portal will not allow the date entered as abandoned to be less than 30 days from the date the notice was sent to owner and other interested parties.
- **ABANDONED MOTOR VEHICLE.** A motor vehicle as defined in Section 32-8-2, that has been unclaimed as provided in Section 32-8-84 for not less than 30 calendar days from the date the notice was sent to the owner and lienholder of record, or if no owner or lienholder of record could be determined, has been unclaimed for not less than 30 calendar days. The term "abandoned motor vehicle" also includes any attached aftermarket equipment installed on the motor vehicle that replaced factory installed equipment.

Abandoned Motor Vehicle

- Motor vehicle that is considered an abandoned motor vehicle may be sold at a public auction.

30 Days prior to sale:

- Notice given by publication once a week for two consecutive weeks in a newspaper of general circulation in the county in which the sale is to be held, provided the vehicle is registered in the county. **Publication is not required if the vehicle is not registered in the county where the sale is to be held.**
- In counties in which no newspaper is published, notice shall be given by posting such notice in a conspicuous place at the courthouse.

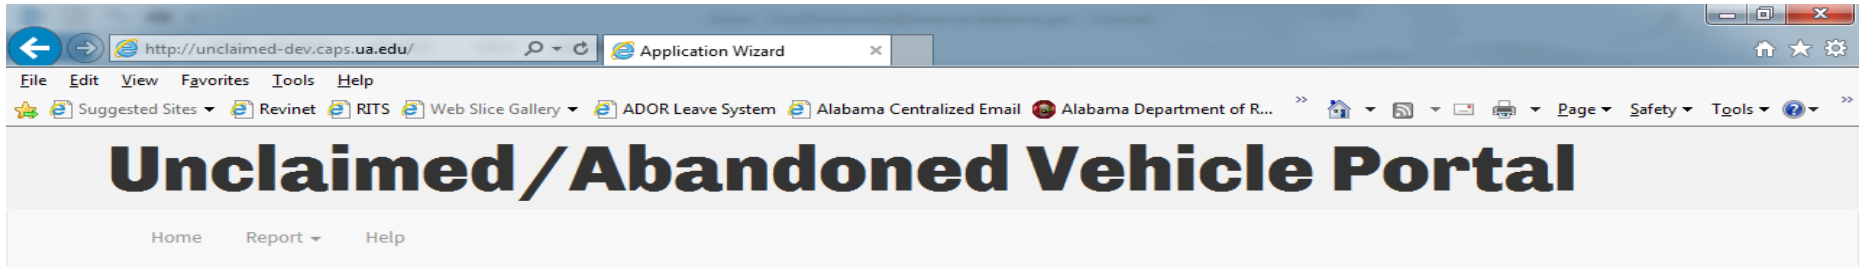

Abandoned Motor Vehicle

- At least 35 days prior to the public auction, the person or entity will enter the auction information into the unclaimed/abandoned portal.
- The following information must be included in the notice and shall be provided through the portal:
 - Name of current owner and lienholder
 - Address of the current owner and lienholder
 - Contact information for the person or entity filing the notice (name, address, telephone, email)

- The department, within five calendar days of receipt of the notice of public auction, will send a motor vehicle interest termination notice to the current owner and lienholder of record, if any.
- The motor vehicle interest termination notice will:

 - Include the appeal rights, pursuant to Sections 32-13-4 and 40-2A-8, to contest the proposed sale of the motor vehicle.
 - Include all the information provided in the notice of public auction.

Abandoned Motor Vehicle

- After thirty-five (35) calendar days from the Notice of Public Auction, the vehicle may be sold. The abandoned vehicle bill of sale will be generated from the Unclaimed/Abandoned portal and will be used to apply for the Alabama certificate of title.
- If the brand on the title is salvage, the brand on the new title must also be salvage.
- If the vehicle is junked, the bill of sale in the portal can be used to report the vehicle in the SCRAP system.
- If ADOR receives notice of appeal within 35 calendar days from the date of the notice of sale, the vehicle cannot be sold (i.e. bill of sale cannot be generated). The Tax Tribunal will notify the MVD if the sale is appealed and the MVD will suspend the process in the portal.

ELT Update

- ELT (Electronic Lien & Title) Phase 1 implemented June 1, 2015.
- Lienholders, that are designated agents, have the ability to create electronic liens on Alabama certificates of title.
- The Department is notifying financial institutions (banks, credit unions, pawnshops, etc.) that normally process applications to record liens.
- Lienholder must contact the Department to begin using ELT feature.
- Titles are electronically issued instead of being mailed to the lienholder.
- The lienholder can verify the status/issuance of the electronic title through ETAPS title snapshot screen.
- 6,436 ELT titles issued.

Electronic Lien & Title

- An eLien Title is indicated as “**Yes**” on the Title Snapshot screen in the “Is eTitle” box. This is confirmation of the electronic lien title and is visible to anyone that views the Title Snapshot screen. Note that the Title Snapshot screen provides the Alabama Certificate of Title Number.
